III. Details of Teaching/Work Experience:

- a. Consultant Anaesthetist, Department of Anaesthesia University College Hospital Ibadan; Feb 2020– Till Date. My role involved teaching medical students rotating through the Department of Anaesthesia, where I am currently a lecturer. I also teach resident doctors who are postgraduate students of the National Postgraduate Medical College of Nigeria and West Africa College of Surgeons.

- b. Consultant Anaesthetist Emergency Department University College Hospital Ibadan; June 2016 – January 2020. While working in the Department of Emergency Medicine, I was involved in teaching medical students and supervising the term papers submitted to the Department of Community Medicine as part of their posting requirement. I also supervised the weekly seminar delivered in the department. My duty also involves supervising the training of foreign medical students and postgraduate doctors (resident doctors) rotating through the Emergency Department.
- c. Consultant Anaesthetist and **Lecturer 1** @ BABCOCK University Teaching Hospital Ilisan-Remo, Ogun State; March 2015 – May 2016. As a lecturer 1 and Consultant anaesthetist, I was involved in the lecture series on Anaesthesia for medical students and their evaluation at the end of their posting in the Department of Surgery. I was also the physician in charge of the Intensive Care Unit at BABCOCK University Teaching Hospital (BUTH) Ilisan-Remo. I also coordinate the Medical Emergency and Drill for BUTH - Falck Prime Training Centre.
- d. Physician Anaesthetist Reddington Multi-Specialist Hospital Lagos; March 2013 – February 2015. I provide anaesthesia services for all categories of patients and likewise chair the Resuscitation Committee at Reddington Multi-Specialist Hospital Ikeja while in their service.
- e. Resident Doctor in Anaesthesia @ UCH Ibadan; Nov.2006-March 2013.
In the course of my training, I was appointed as the Chief resident for a period of three years; this allow me to be involved in the training of medical students and resident doctors in the department.
