

# CURRICULUM VITAE: 2023 PROMOTION

- I.**
- a) **Name:** Olayinka Oladunjoye Ogunbode
  - b) **Date of Birth:** 26 August, 1972
  - c) **Department:** Obstetrics and Gynaecology
  - d) **Faculty:** Clinical Sciences
- II.**
- a) **First Academic Appointment:** Lecturer I (31 December, 2010)
  - b) **Present Post with Date:** Reader (1 October, 2020)
  - c) **Date of Last Promotion:** 1 October, 2020
  - d) **Date Last Considered:** Nil
- III. University Education (with dates):**
- a) University of Ilorin, Ilorin. 1988 - 1995
  - b) Liverpool School of Tropical Medicine, Liverpool 2001
  - c) University of Ibadan, Ibadan, Nigeria 2004 - 2008
- IV. Academic Qualifications (with dates and granting bodies):**
- a) Bachelor of Medicine, Bachelor of Surgery (MBBS)  
University of Ilorin, Ilorin June, 1995
  - b) Diploma in Reproductive Health for Developing Countries  
Liverpool School of Tropical Medicine, Liverpool July, 2001
  - c) Master of Health Science (MHS), Population & Reproductive Health  
University of Ibadan, Ibadan January, 2008
- V. Professional Qualifications and Diplomas (with dates):**
- a) Diploma, Reproductive Health for Developing Countries  
Liverpool School of Tropical Medicine, Liverpool 2001
  - b) Fellow, West African College of Surgeons  
(Obstetrics & Gynaecology) 2005

- c) Fellow, National Postgraduate Medical College of Nigeria  
(Obstetrics & Gynaecology) 2010
- d) Diploma, Leadership and Management in Health  
University of Washington 2018
- e) Diploma, Fundamentals of Implementation Science  
University of Washington 2020

**VI. Scholarships, Fellowships and Prizes:**

- Part Scholarship by the Liverpool School of Tropical Medicine, Liverpool,  
United Kingdom. 2001

**VII. Honours, Distinctions and Membership of Learned Societies:**

- a) Special Merit Award  
(Ilorin University Medical Students Association) 1995
- b) Certificate of Honour  
(Association of Resident Doctors, UCH, Ibadan). 2000
- c) Certificate of Honour  
(Association of Resident Doctors, UCH, Ibadan). 2001
- d) Certificate of Service  
(Association of Resident Doctors, UCH, Ibadan). 2002
- e) Certificate of Service  
(Association of Resident Doctors, UCH, Ibadan). 2004
- f) Chief Resident, Department of Obstetrics and Gynaecology,  
University College Hospital, Ibadan 2005 - 2006
- g) Member, Nigeria Medical Association (NMA) 1995 - date
- h) Member, Medical and Dental Consultants of Nigeria 2007 - date
- i) Coordinator for the Part I and Part II clinical  
examinations in Obstetrics and Gynaecology of  
the West African College of Surgeons 2008 - date
- j) Examiner for the Faculty of Obstetrics and Gynaecology,  
West African College of Surgeons 2010 - 2011
- k) Member, Society of Gynaecology and Obstetrics of Nigeria 2010 - date

- l)** Member, Finance Committee,  
Department of Obstetrics and Gynaecology, COMUI 2012 – 2023
- m)** Member, Nigerian Institute of Management (MNIM) 2014 - date
- n)** Secretary, Western Sector,  
Society of Gynaecology and Obstetrics of Nigeria 2015 - 2023
- o)** Council Member,  
Society of Gynaecology and Obstetrics of Nigeria 2015 - date
- p)** Examiner for the Faculty of Obstetrics and Gynaecology,  
National Postgraduate Medical College of Nigeria 2015 - date
- q)** Member, Ceremonials and Welfare Committee, Department of Obstetrics and  
Gynaecology, COMUI. 2015 – date
- r)** Member, Faculty Board in Obstetrics and Gynaecology,  
National Postgraduate Medical College of Nigeria 2018 - 2022
- s)** Member, Court of Judges, Faculty of Obstetrics and  
Gynaecology, National Postgraduate Medical College  
of Nigeria. 2020 – date
- t)** Member, Logbook and Bye Law Committee, Faculty of  
Obstetrics and Gynaecology, National Postgraduate Medical  
College of Nigeria 2020
- u)** Member, Constitution Review Committee,  
Society of Gynaecology and Obstetrics of Nigeria 2020 – 2021
- v)** Member, Faculty of Clinical Sciences,  
Counselling Committee 2020 - 2022
- w)** Member, College Prospectus 2018- 2022 Review Committee,  
College of Medicine, University of Ibadan. 2020 - 2022
- x)** Member, Dissertation Proposal Committee, Faculty of  
Obstetrics and Gynaecology, National Postgraduate  
Medical College of Nigeria 2021
- y)** Member, Management and Prevention of Anaemia in pregnancy,  
Clinical Practice Guideline Committee of the Society of  
Gynaecology and Obstetrics of Nigeria 2021
- z)** Vice- Chairman, Western Sector, Society of Gynaecology

## VIII. Details of Teaching and Work Experience

### a) Undergraduate

- I. I have been involved in teaching duties to undergraduate students on clinical rotation in the Department of Obstetrics and Gynaecology. The nature of the teaching included didactic lectures allocated to me within the departmental lecture schedule.
- II. I have taught the following specific lectures in the department, the concept of reproductive health including gender related issues, Amenorrhoea and polycystic ovarian disease, Climacteric and menopause, Ectopic pregnancy, including advanced extra-uterine pregnancy, Anatomy of the Pelvic Floor/Prolapse, Application of cytology to Obstetrics and Gynaecology, Carcinoma of the body of uterus and Fallopian tubes. Disease of Trophoblast and gynaecological tumour markers, Infertility, Nigeria's population dynamics and National development, Male and female surgical contraception, Overview of Maternity care: Preconception, antenatal, intrapartum and postnatal, Biological and social factors in obstetrics, Anaemia in pregnancy, Chronic pre-existing hypertension in pregnancy (including chronic renal failure), Rhesus isoimmunization, Acute renal failure in obstetrics and gynaecology, Diabetes mellitus in pregnancy, Low birth weight (preterm and IUGR), Psycho-social problems of pregnancy, Theories of onset of labour, normal and abnormal uterine action, prolonged labour, Mechanism of Labour and Management of Abnormal Labour, Induction of labour, prostaglandins, oxytocin infusion, Breech presentation and delivery: Conduct, hazards to the foetus, Malposition in labour; forceps delivery, vacuum extraction; episiotomy, Jaundice in pregnancy, Hypertensive disorders of Pregnancy, The puerperium; puerperal complications, Hormonal Contraception, and Malaria in pregnancy.
- III. I have been involved in tutorials where mixtures of teaching methods were adopted. The Covid-19 pandemic resulted in the additional use of online platforms for tutorial, and I was involved in several groups of students.

- IV. I have also been actively involved in supervision of undergraduates in their mandatory group research work. I have supervised many undergraduate students' group in their research work while rotating through the department of Obstetrics and Gynaecology. These include Antenatal care and its challenges in pregnant women: A comparative study between Adeoyo Maternity Teaching Hospital and University College Hospital Ibadan. (Group B 2009), Pattern and outcome of Infertility in Ibadan. (Group A 2010), Comparative study on knowledge and use of Contraceptives by Males and Female Students in a Tertiary Institution in Nigeria. (Group B2010), Abortion practices amongst female undergraduates of the University of Ibadan. (Group A 2011), Body Mass Index and male Infertility: Reflections from Seminal Fluid Analysis. (Group B 2011), Perception and willingness of Students in Tertiary institutions to participate in gamete donation and surrogacy. (Group B 2012), Adverse childhood experiences and risky sexual behaviour among Nigerian tertiary students. (Group D 2012), Safe sex practices and emergency contraception among undergraduates in Ibadan (Group B 2016) and Urinary incontinence among pregnant women in Ibadan (Group D 2016)
- V. I have participated in evaluation of students through examinations such as mid-posting, end of posting, Part III MBBS examination and Resit examinations. The clinical sessions include patients clerking, physical examination and presentation and more recently the objective score clinical examination (OSCE) test.
- VI. I contributed question materials for the several examinations in the department and in the training of standardized patients for the OSCE tests.

**b) Postgraduate**

- I. I coordinated the IPAS sponsored training workshops for of House Officers and Resident Doctors on Comprehensive Abortion Care between years 2007 and 2009. The training took place at the Department of Obstetrics and Gynaecology, University College Hospital, Ibadan, Nigeria.
- II. I am the course tutor in the master's degree programmes of the Pan African University Institute of Life and Earth Sciences (including Health and Agriculture) and I have taught the following courses, Fundamentals of Human Reproduction (PRB 701), Embryology and Anatomy of the Reproductive Organ (PRB 704),

Reproductive Endocrinology (PRB 705), Introduction to Demography (PRH 705), Fertility Management (PRH 712). I also teach the Advanced Reproductive Biology, Assisted Conception, and Endocrinology (PRB 804) and Advanced Reproductive Biology and Endocrinology (PRB 813) course on the PhD in Obstetrics and Gynaecology for the Pan African University Institute of Life and Earth Sciences (Including Health and Agriculture). I have supervised the following students, Emmanuel Fakorede (Determinants of choice of contraception and Perceived impact of male involvement on contraception use among male and female traders in Ibadan), Ladouce Ingrid Iradukunda (Awareness, perceptions and factors associated with antenatal care use among adolescent mothers in Ngozi province of Burundi), Abdulai Ratif (The consequences of type-2 diabetes mellitus (t2dm) and malaria co-morbidity on sperm parameters among patients in the Ashanti region of Ghana) in their dissertations and thesis at the Pan African University Institute of Life and Earth Sciences (Including Health and Agriculture). I am currently supervising Atenchong Ngwibete (Reproductive Health Challenges among internally displaced women of Benue state: a community-based health education interventional study) and Rose Emmanuel Buname (Utilization of preconception care among pregnant women in Dar es Salaam, Tanzania) in their dissertations.

- III. I have served as internal-external examiner for some Master of Public Health (MPH) oral defence examinations.
- IV. My appointment as Honorary Consultant Obstetrician and Gynaecologist in the department of Obstetrics and Gynaecology, University College Hospital, Ibadan provided the need for me to be involved in in-patient and outpatient care of patients. During this period, I was involved in teaching and training of postgraduate resident doctors at clinics, wards theatre sessions and journal club. I have mentored many residents in their Part I and Part Two case books and dissertations for the award of fellowship of the postgraduate colleges.
- V. I was the co-coordinator of the yearly intensive revision course in Basic Medical Science in Obstetrics and Gynaecology of the Faculty of Obstetrics and Gynaecology of the National Postgraduate Medical College of Nigeria, between 2009 and 2016. Since 2015, I have facilitated three intensive revision courses in

Clinical Obstetrics and Gynaecology including Objective Score Clinical Examination Assessment methods (OSCE) of the Faculty of Obstetrics and Gynaecology of the National Postgraduate Medical College of Nigeria. These training courses were hosted by the Department of Obstetrics and Gynaecology.

- VI. Since 2012, I have been involved in the supervision of dissertation/project of the following students. Osunkentan Tobi Oladapo: Master of Public Health (Population and Reproductive Health Nutrition). Topic: Assessment of Nutrition Components of Antenatal Care Services and Maternal Knowledge, Attitude and Practice of Nutrition in Health Facilities in Ibadan Municipality (2013). Bobadoye Iyadunni Wura: Master of Public Health (Field Epidemiology) Topic: Prevalence and determinants of Modern Contraceptives among Postpartum women in selected secondary health care facilities in Ibadan, Oyo State. (2014).
- VII. I was facilitator between 2010 and 2016 at the Training workshop in Newborn Resuscitation for Midwives and Doctors in the Departments of Paediatrics and Obstetrics and Gynaecology.
- VIII. I am a resource person at the yearly intensive course in Reproductive and Family Health organised by the Department of Community Health, University College Hospital, Ibadan, from 2011 to 2016, and 2018 till 2021.
- IX. Since 2010, I have taught the topic, Trauma in Pregnancy at the Basic Trauma course of the University College Hospital, Ibadan Nigeria. This is a three-day course for all new house interns and residents in the hospital.
- X. I had at various times been appointed an examiner to the West African College of Surgeons for Part I examinations in the Faculty of Obstetrics and Gynaecology, from 2010 till date.
- XI. Since 2007, I have been involved in the supervision of Primary and Part I examination in Obstetrics and Gynaecology of the West African College of Surgeons and as the floor manager for the clinical examination in Obstetrics and Gynaecology of the West African College of Surgeons from 2011 till date. We host the Examinations in Ibadan in April and October every year.
- XII. I was appointed as an examiner in the Faculty of Obstetrics and Gynaecology of the National Postgraduate Medical College of Nigeria since May 2015. I currently examine in the Part I and II parts of the examination. Additionally, I have been

involved in the Objective Structured Clinical Examination committee in the Faculty of Obstetrics and Gynaecology.

- XIII. I was appointed as a Faculty Board member in the Faculty of Obstetrics and Gynaecology of the National Postgraduate Medical College of Nigeria from 2018 till 2022.

**c). Administrative**

- I. I coordinated the weekly scientific meetings and postgraduate seminars from 2010 to 2015, and 2021-2023. This entails gathering relevant and topical issues and allocating them to teams involving consultants, resident doctors and house officers for presentation. It also involves coordination of presentations by other specialist within the hospital or university, medical students, postgraduate students and pharmaceutical companies.
- II. I have been involved in the coordination of Academic Retreats in the Department from 2010 till date. These retreats have at various times involved Academic Staff, Resident Doctors, Midwives and Nurses.
- III. I have served in the examination and the OSCE committee for both undergraduate and postgraduate examinations. This process involves the collection of test materials, selection of test materials, preparation and conduct of the examination. Very often post-examination evaluation is done to identify areas of improvement.
- IV. I was a member of the finance committee of the department of Obstetrics and Gynaecology from 2012 till 2023. Throughout this period, I served under the leadership of four Heads of department.
- V. I am a member of the mentoring/counselling committee in the Faculty of Clinical Sciences, College of Medicine, University of Ibadan.
- VI. I have served as a member of the third-floor seminar room maintenance committee since 2015. This is a joint committee of the Medicine and Obstetrics and Gynaecology Departments and responsible for making the seminar room clean and in good order. I am responsible for sending notices of the committee meeting, ensuring that minutes are prepared and circulate the minutes to the Head of the two departments for noting and implementation of the plans of action.

**d). Community Service**

- I. I have facilitated various teaching and training workshops for midwives, nurses, community health officers in Oyo State with the Society of Family Health (S.F.H), Center for Population and Reproductive Health (CPRH) and the Oyo State Ministry of Health.
- II. I have had several televisions (both live and recorded) and live radio health talks on issues related to Reproductive Health. The topics included infertility, assisted reproductive technology, sexual assault, female genital mutilation, maternal mortality, and uterine fibroid. Some of these stations include Nigeria television Authority (NTA), Broadcasting Corporation of Oyo State (BCOS), Petals FM, Splash FM and 32 FM (94.9).
- III. I have contributed to the health column in the Nigerian Tribune. Some of the topics include Female Genital Mutilation, Oral and Anal Sex, Obesity and Infertility, Menstrual Hygiene important for prevention of Infection and Infertility and Eda not enough reason for infertility in couples.
- IV. I was appointed the secretary of the Western sector of the Society of Gynaecology and Obstetrics of Nigeria from 2015 till 2023. I have successfully organized quarterly symposia for doctors, nurses, paramedical staff and the public in Ibadan, Abeokuta, Osogbo, Ado-Ekiti and Akure for the organization.
- V. In 2016, I was a member of the local organizing committee for her 50<sup>th</sup> Annual General Meeting and Scientific Conference of the Society of Gynaecology and Obstetrics of Nigeria (SOGON) held at the International Cultural and Event Center, Akure.
- VI. In December 2015, I was appointed the secretary of the local organizing committee of the 11<sup>th</sup> Annual Scientific Conference and All Fellows Congress (ASCAF) of the National Postgraduate Medical College of Nigeria and the conference held successfully in August 2016 at the International Conference Center, University of Ibadan, Ibadan
- VII. Between 2015 and 2017, I was a member of the committee that drafted the Maternal and Perinatal Death Surveillance and Response template by the Society of Gynaecology and Obstetrics of Nigeria (SOGON), and this was modified by

the Federal Ministry of Health and approved for use in Nigerian Health Institutions.

VIII. I have participated in several volunteer free medical outreaches by the University College Hospital and other organizations. It was done in collaboration with other specialty units in the hospital. These outreaches included free consultations, examination, provision of basic medications and sponsor of minor surgeries.

## **IX. Research**

### **a) Completed**

1. Low back pain among women attending post natal clinic in the department of Obstetrics and Gynaecology, University College Hospital, Ibadan. The manuscript is being written up for submission for publication.
2. Outcome of threatened miscarriages in a faith-based secondary health care facility in Ibadan -A 6-year review. The data has been entered into the computer software and analysed. The manuscript is being written up for submission to a reputable journal for consideration for publication.
3. Sexual patterns and practices among undergraduate students. This study was presented at the 3rd annual joint ISSM/SMSA scientific meeting which held in Miami, Florida, USA, from October 27-30, 2023, and published as a conference proceeding in the Journal of Sexual Medicine (2023). The study being written up for submission to a reputable journal for consideration for publication.
4. Urinary incontinence during pregnancy in Ibadan, Nigeria. This study has been completed and it is in the process of data entry. I am a co-investigator in this study.
5. Asymptomatic reproductive tract infections in infertile couples and IVF outcomes in Ibadan. This study was done among infertile couples undergoing IVF at a specialist fertility center in Ibadan. It has been successfully defended as part of the requirement for the Fellow of the West African College of Surgeons. I am a co-investigator in the study and the manuscript is presently being written.

**b) In progress**

1. Epidemiologic and Biochemical Profile of Polycystic Ovarian Syndrome in an African Population. The study aims to evaluate anthropometric and biochemical associations with polycystic ovarian morphology identified on transvaginal ultrasound scans. I am a co-investigator. This is a Tertiary Education Trust Fund (TETFund) Grant Award.
2. Use of parenteral pentazocine/piroxicam combination versus parenteral acetaminophen/piroxicam for post-caesarean section analgesia: a randomized controlled trial.

This study is designed to compare the analgesic efficacy of parenteral Pentazocine/Piroxicam combination versus Parenteral Acetaminophen/Piroxicam in the first 24hours post-caesarean section. I am a co-investigator in this study.

3. Outcome of skin wound closure using tissue adhesives versus subcuticular absorbable sutures at elective caesarean section: Randomized controlled trial.

This study is aimed to determine the patients' satisfaction and cosmetic outcome of wound closure technique using tissue adhesives compared with subcuticular absorbable suture at discharge and at 6 weeks post operation. I am a co-investigator in this study.

**c) Thesis and dissertation**

1. Obstetrics and Gynaecology Case Records and Commentaries. A book submitted to the West African College of Surgeons in partial fulfilment of the requirement for the award of Fellowship in the Faculty of Obstetrics and Gynaecology. October 2004
2. Influence of Early Pregnancy Losses, New Paternity and Cohabitation on Risk of Hypertensive Disorders of Pregnancy in Ibadan, Nigeria. A dissertation submitted to the National Postgraduate Medical College of Nigeria in part

fulfilment of the requirement of the part II Fellowship examination (FMCOG).  
November 2009.

3. Uses of Contraceptive amongst women of Childbearing ages in Tegbesun and Ogidi Communities in Kwara State. This study was done as a teamwork of all the students in the group for our community-oriented postings at the medical school of the University of Ilorin, Ilorin, Nigeria. It is available in the University of Ilorin Library. April 1995.
4. How can Confidential Audit of Maternal Deaths Improve Essential Obstetric care in Ibadan, Nigeria. This thesis was done in partial fulfilment of the diploma in reproductive health for developing countries at the Liverpool School of Tropical Medicine, Liverpool, United Kingdom. July 2001.
5. Sexual Violence amongst female undergraduates in a Nigerian tertiary institution in Ibadan in partial fulfilment for the award of Master of Health Science degree in Population and Reproductive Health. October 2008.
