

**PROFESSOR S.O. OGUNLADE**  
**CURRICULUM VITAE**

- I (a) Name: Ogunlade, Samuel Olusegun
- (b) Date of birth: 31 July 1956
- (c) Department: Department of Surgery University of Ibadan and  
Department of Orthopaedic and Trauma,  
University College Hospital Ibadan.
- (d) Faculty: Clinical sciences
- (e) College: College of Medicine, University Ibadan
- II (a) First Academic Appointment: Lecturer I February 1996
- (b) Present Post: Professor
- (c) Date of Last promotion: 1 October 2010
- (d) Professional Appointment: Honourary Consultant Orthopaedic Surgeon  
University College Hospital Ibadan Nigeria  
1<sup>st</sup> January, 1996 to date
- III University Education: University of Ibadan  
September 1975 to June 1980
- IV Academic Qualifications: Bachelor of Medicine, Bachelor of Surgery June  
1980, University of Ibadan
- V Professional Qualifications:  
and Diplomas: Fellow, West Africa College of Surgeons (FWACS)  
April 1991  
Fellow Royal College of Surgeons of Edinburgh  
(FRCS) November 1991
- VI Scholarships, Fellowships and Prizes:  
Pfizer Prize for best Student in Paediatrics 1980  
Distinction in Pathology 1979
- VII Honours, Distinctions and Memberships of Learned Societies :  
Member Medical and Dental Consultant Association of Nigeria  
Member of Nigeria Orthopaedic Association  
Member of Nigeria Medical Association  
**Best Male Clinical Lecturer – 1998**  
**(University of Ibadan Medical Student Association)**  
**Best Male clinical Lecture – 2002/2001**

**(University of Ibadan Medical Student Association)**

Full Registration with Medical and Dental Council of Nigeria

Full Registration with General Medical Council London

Award of Excellence for outstanding contribution to postgraduate training in the Department of Physiotherapy University of Ibadan March 2016.

**a. Post Graduate Fellowship Training**

**Nigeria**

Department of Surgery, University College Hospital Ibadan.

Registrar January 1985 – December 1987. General Surgery

Senior Registrar January 1988 – September 1990. General Surgery

**Republic of Ireland**

Orthopaedic Training

Orthopaedic Registrar – Medical Missionary of Mary. Drogheda Co-louth October 1990 – December 1991.

**United Kingdom**

Orthopaedic Training

Cumberland Infirmary Carlisle February 1992 – January 1993 (Orthopaedics).

Northern Region Training Programme in Orthopaedic. Registrar in Orthopaedics March 1993- December 1995.

**Administrative Experience**

Chairman, Surgical Services Monitoring Committee, Department of Surgery, University College Hospital, Ibadan.

Surgical Service Award - December 2002 Department of Surgery, University College Hospital, Ibadan.

Theatre Manager University College Hospital Ibadan 1999 - 2005

Deputy Chairman Medical Advisory Committee (Energy) University College Hospital Ibadan 2009 till 2013.

Head, Department of Orthopaedics and Trauma University College Hospital Ibadan June 2010 till May, 2013.

Head, Department of Surgery, College of medicine University of Ibadan and University College Hospital Ibadan. August 2020 till date.

**VIII Details of Teaching Experience at University Level**

**(a) UNDERGRADUATE**

- i. Teaching of undergraduate Medical Students in Orthopaedics and Trauma and in general principles of surgery. This includes lectures, Clinical demonstration, clinic, ward rounds and theatre.
- ii. Teaching of undergraduate Physiotherapy Students especially in the Clinic and ward rounds.
- iii. Teaching of undergraduate Dental Students in Orthopaedics and Trauma. This includes lectures, Clinical demonstration in clinics, ward round and theatre sessions.

**(b) POSTGRADUATE**

- i. Teaching of course PST 710 in MSc degree in physiotherapy from 1997/98 session till 2002. The Programme is currently under review.  
Teaching of postgraduate MSc programme student in physiotherapy in Clinics and in Theatre.
- ii. Co-supervisor to PhDs project – Already awarded
  - a. Dr. BOA Adegoke  
Title of Thesis: Comparative Efficacy of open and closed kinetic chain exercises in the treatment of osteoarthritic knees.
  - b. Dr. O Ayanniyi  
Title of thesis: Effect of McKenzie protocol on the treatment of back pain in pregnant subjects.
  - c. Mrs Busola Johnson  
Title of Thesis: Comparative effects of three treatment protocols on pain intensity, pain frequency, self esteem and daily activities of patients with chronic mechanical low back pain.
  - d. Dr Chidozie Emmanuel Mbada  
Title of Thesis: Effect of back extensors Endurance Exercises on physiological and psychosocial variable in patients with long-term mechanical low back pain.
  - e. Dr Oluseun Akinleye Fapojuwo  
Title of Thesis: Comparative efficacy of Mckenzie and back-to-fitness protocols on selected clinical and psychosocial variables in patients with chronic mechanical low back pain.
  - f. Dr Bashir Kaka  
Title of thesis: Effects of eight weeks of neck stabilization and dynamic exercises on selected clinical and psychosocial variables among patients with non-specific neck pain.
  - g. Dr Aderibigbe Olubamike Ifeolu  
Title of Thesis: Effect of Mckenzie and stabilization protocols on sexual dysfunction in patients with chronic mechanical low back pain.
- iii. Internal/External Examiner
  - a. MSc Oral Examination.
  - b. PhD Oral Examination.
  - c. External Examiner in surgery, Olabisi Onabanjo University, Ogun State Nigeria.
  - d. External Examiner in Surgery. Lagos State University Lagos Nigeria.
  - e. Examiner in Orthopaedics and Trauma, West Africa College of Surgeons, Ibadan, Nigeria.

#### **A. Personal Statement/Research Focus**

I graduated with MBBS degree from College of Medicine, University of Ibadan, Ibadan Nigeria in June, 1980. I had Distinction in Pathology and Pfizer Prize for the best student in Paediatrics.

I had my housemanship in University College Hospital Ibadan from July 1, 1980 to June 30, 1981, and my National Youth Service in the old River State and served in Bakana in the old Degema Local Government between July, 1 and June 30, 1982.

I took up the position of a Medical Officer in a Private Hospital in Port Harcourt, Funtai Medical Centre from July 1, 1982 to December 30, 1984.

On January 1, 1985, I commenced residency training in Surgery in University College Hospital Ibadan. I rose from Senior House Officer in Surgery to Registrar position and on January 1, 1988 I was promoted to Senior Registrar in General Surgery.

I proceeded to Republic of Ireland to take the post of Registrar in Orthopaedics and Trauma in Our Lady of Lourdes Hospital, Drogheda, Co Louth in September 1990.

I was in this hospital till November, 1991 before moving to England in December 1991 to take up the post of Senior House Officer in Cumberland infirmary Carlisle from February 1, 1982 to January 31, 1992. The Northern Regionals Health Authority with Headquarter in Newcastle upon Tyne offered me the post of Specialist Training in Orthopaedics and Trauma. I rotated through 5 major hospital between March 1 1993 and December 19, 1995.

The Hospitals are North Tyneside General Hospital, North shields; Furness General Hospital, Barrow in Furness; Royal Victoria Infirmary, Newcastle upon tyne, Hartle pool General Hospital, Hartlepool and general Hospital Durham.

I attended various conferences during the training programme, prominent ones are the Basic Trauma Course on Internal Fixation by AO Group, Pelvic Fracture Fixation by AO Group and conservative management of fractures sponsored by Royal College of Surgeons, England. This course was organize by Mr Appley and Professor Samiento.

I returned to take up the post of Lecturer and Consultant Orthopaedic and Trauma Surgeon in University of Ibadan and University College Hospital respectively on February 1, 1996.

My Research has focused mainly on the care of patient with fracture and treatment of complications of fracture. My contribution include.

- a. Introduction of domiciliary care for femoral shaft fractures in children.
- b. Determining the femoral head size in elderly patients with fracture neck and femur and thus showing the radiological method of estimating the femoral head preoperatively.
- c. I have also shown that with attention to detail, plating of femoral shaft fracture can be as successful as it is in developed world.
- d. I have shown that soft tissue damage and interposition at fracture site are the main causes of non-union in our environment and also advocated that plating of Nonunion give the best outcome in our environment.
- e. I have also pioneered in our environment the use of iliac crest graft for reconstruction of mandibular defect and the technique of the procedure.

I have also looked into the outcome of management in children with club foot.

### **CONFERENCES ATTENDED**

1. Annual Scientific Conference of Nigeria Orthopaedic Association (Eko 99)  
Musculoskeletal Oncology 24<sup>th</sup> 27<sup>th</sup> November 1999
2. Conference on Emergency Preparedness and Response to Health Disasters and Epidemics.  
Federal Ministry of Health Abuja 5<sup>th</sup> 6<sup>th</sup> October 2010

3. Workshop on Postgraduate Training, College of Medicine University of Ibadan.  
12<sup>th</sup> – 13<sup>th</sup> February 2002.
4. Annual Scientific and General Meeting of the Nigeria Orthopaedic Association and Pan-Africa Orthopaedic Association.  
December 2002.  
Abuja Nigeria.  
Paper presentation  
Early Surgical Decompression in Acute Osteomyelitis in Children.
5. Ibadan Basic Trauma care Course  
Resource Person  
Topic: management of Musculoskeletal Injury in the Lower Limb  
30<sup>th</sup> March – 1<sup>st</sup> April 2005
6. Conference 2006 Promoting Health Research Capacity in Nigeria. Association for Good Clinical Practice in Nigeria (AGCPN)  
24<sup>th</sup> -25<sup>th</sup> May 2006  
Abuja Nigeria
7. Hip and Knee Replacement Workshop  
Medical and Surgical Skill Institute Accra Ghana.  
Monday 24<sup>th</sup> – Friday 28<sup>th</sup> August 2009
8. National Conference on Management of Skin and Ocular Lesion in Albinos.  
Maccido Conference Center Sokoto.  
July 2010.
9. TRAIN – THE – TRAINERS WORKSHOP  
National Institute for Medical Research. Yaba Lagos  
Tuesday 22<sup>nd</sup> –Thursday 24<sup>th</sup> June 2010
10. Product Safety Training  
Pinnacle and Corail Total Hip Arthroplasty 23<sup>rd</sup> – 24<sup>th</sup> October, 2016  
Sharjah Surgical Institute – University of Sharjah United Arab Emirates.
11. Product Safety  
Sigma Total Knee Arthroplasty Training 25<sup>th</sup> – 26<sup>th</sup> October, 2016  
Sharjah Surgical Institute, University of Sharjah, United Arab Emirates.
