

## CURRICULUM VITAE

- I. (a). Name:** Mojisola Morenike Oluwasanu (Formerly Fayemi)
- (b). Current Address:** Department of Health Promotion and Education, Faculty of Public Health, College of Medicine, University of Ibadan, Ibadan, 200212, Oyo State, Nigeria  
E-mail: [o3e3m@yahoo.com](mailto:o3e3m@yahoo.com), [mmoluwasanu@comui.edu.ng](mailto:mmoluwasanu@comui.edu.ng)  
Telephone no: +234-07087957406

### **II. Academic Qualifications with Dates and Granting Bodies**

- |      |                                                                               |      |
|------|-------------------------------------------------------------------------------|------|
| i.   | B.Sc. Human Nutrition, University of Ibadan, Ibadan, Nigeria                  | 2000 |
| ii.  | M. P. H. Health Education, University of Ibadan, Ibadan, Nigeria              | 2008 |
| iii. | M.Sc. Global Health and Noncommunicable Diseases, University of Edinburgh, UK | 2014 |
| iv.  | Visiting Doctoral Student, University of Chicago, USA                         | 2014 |
| v.   | Ph.D Health Promotion and Education, University of Ibadan, Ibadan, Nigeria    | 2018 |

### **III. Professional Qualification and Diplomas (With Date)**

- |    |                                                                                                  |      |
|----|--------------------------------------------------------------------------------------------------|------|
| i. | Masters of Public Health (Health Promotion and Education), University of Ibadan, Ibadan, Nigeria | 2008 |
|----|--------------------------------------------------------------------------------------------------|------|

### **IV. Scholarships, Fellowships and Prizes**

- Scholarship of Swedish International Development Agency** to participate in the TASO Experiential Attachment to Combat HIV/AIDS (TEACH) Programme organized by The AIDS Support Organization TASO, Uganda. 6<sup>th</sup> July – 4<sup>th</sup> August, 2007.
- Scholarship of the Netherland Fellowship Programme** to attend the HIV/AIDS, Nutrition and Food Security Training Programme organized by the Center for Development Innovation, Wageningen University and Research, The Netherlands 12<sup>th</sup> April – 30 April, 2010
- Scholarship award of the Commonwealth Scholarship Commission**, UK for Distance Learning Master Programme at the University of Edinburgh, UK , September 2011- August, 2014
- PhD Fellowship award of** the African Population Research Center, Kenya and International Development Research Center, Canada, November 2013- November, 2016
- Non-degree visiting doctoral student training award** of the NIH Fogarty International Center [The Chicago-Ibadan International Partnership for Interdisciplinary Research Training in Chronic Non-Communicable Diseases (NCDs) and Disorders Across the Lifespan] at the University of Chicago, USA, June – December, 2014

6. **Travel award by the International Union Against Tuberculosis and Lung Disease (The Union)** to present at the 45th Union World Conference on Lung Health, Barcelona, Spain 2014
7. **Re-entry grant of the University of Chicago and the University of Ibadan funded by the NIH Fogarty International Center** [The Chicago-Ibadan International Partnership for Interdisciplinary Research Training in Chronic Non-Communicable Diseases (NCDs) and Disorders Across the Lifespan], June 2015 –July 2017
8. **Scholarship by the National Institutes of Health (NIH) Office of Behavioral and Social Sciences Research (OBSSR)** to attend 11th Annual Conference on the Science of Dissemination and Implementation in Health , Washington D.C, USA 2018
9. **Fellowship of the 2018 Training Institute for Dissemination and Implementation Research in Health (TIDIRH) organized and funded by the National Institutes of Health (NIH) Office of Behavioral and Social Sciences Research (OBSSR) and the U.S. Department of Veterans Affairs,** Bethesda, Maryland, USA August to December, 2018
10. **Travel award of the WHO TDR** to attend and present at the African Cochrane Indaba, Cape town, South Africa 2019
11. **Travel award of the Association of Schools of Public Health in Africa (ASPHA)** to attend and present at the 2019 ASPHA Conference and AGM in Uganda , 2019.
12. **Johns Hopkins University Sidney Kimmel Comprehensive Cancer Center Travel Award** to present at the National Cancer Institute 8<sup>th</sup> Annual Symposium on Global Cancer Research in Washington D.C, USA, 2020.
13. **Kiphart Global Health Equity Scholar award from the University of Chicago Center for Global Health,** USA, 2021

## **V. Honours and Membership of Learned Societies**

- i. Member, African Physical Activity Network (AFPAN)
- ii. Member, Cochrane Public Health Group(CPHG)
- iii. Member, Young Professional, Chronic Diseases Network (YP & CDN)
- iv. Member, Nutrition and Non-communicable Chronic Diseases
- v. Member, International Union of Health Promotion and Education (IUHPE)
- vi. Awarded one of the top ten scientific abstract at the 25<sup>th</sup> International Health Promoting Hospitals and Health Services Conference, April 12-14, 2017, Vienna, Austria.

## **VI. Positions and employment**

2000-2001	Lecturer, Ministry of Health, Lagos State School of Health Technology, Yaba Lagos, Nigeria
2002	Scientific Officer, National Center for Genetic Resources & Biotechnology, Federal Ministry of Science & Technology, Moore Plantation Ibadan , Nigeria
2004	Program Officer, Association for Reproductive & Family Health (ARFH), Ibadan, Nigeria
2009	Senior Program Officer, Association for Reproductive & Family Health (ARFH), Ibadan, Nigeria
2009-2010	Manager South West, Global Fund Round 5 Project, Association for Reproductive & Family Health (ARFH), Ibadan, Nigeria
2010-2012	Program Officer, Global Fund Round 9 Project, Association for Reproductive & Family Health (ARFH), Ibadan, Nigeria

2012-2016	Lecturer II, Department of Health Promotion and Education, College of Medicine, University of Ibadan, Nigeria
2016-2020	Lecturer I, Department of Health Promotion and Education, College of Medicine, University of Ibadan, Nigeria
2020-	Senior Lecturer, Department of Health Promotion and Education, College of Medicine, University of Ibadan, Nigeria

*Details of teaching / work experience in the academic sector*

i. Postgraduate

I teach Master of Public Health Students of the following tracks/departments: Departments of Health Promotion and Education; Medical Demography; Reproductive and Family Health; Adolescent and Child Health; Population and Reproductive Health Education; Population and Reproductive Health Nutrition

*Courses*

- a. HPE 702: Field Practice Seminar - Master of Public Health 2012/2013, 2014/2015 Academic session to date
- b. HPE 720: Global Health and Population Dynamics - Master of Public Health 2012/2013 Academic session to date
- c. HPE 701: Change Process - Master of Public Health 2015/2016 Academic session to date
- d. HPE 721: Adolescent and Sexual Reproductive Health– Master of Public Health 2012/2013 Academic session to date
- e. HPE 703- Behavioural Change Communication- Master of Public Health 2016/2017 Academic session

*Administrative Responsibilities*

- a. Departmental Timetable coordinator, 2013/2014 session – to date
- b. Staff Adviser, Graduate Students Association of Public Health Promotion and Education of Nigeria, 2016 to date (provided technical guidance for the conduct of two annual symposium on Rape and Social Media Addiction with each event having over 300 participant)
- c. Examination Coordinator for 2015/2016 and 2016/2017 session (processing and upload of results)
- d. Preceptor to 17 undergraduate and postgraduate students from the University of Chicago, USA form 2019 to date
- e. Mentor to 4 students from the University of Chicago, USA form 2019 to date
- f. Invited Speaker for the short course titled “*Prevention Strategies for Non-communicable Diseases (NCDs)*” organized by the WHO Collaborating Centre on Population Approaches for Non Communicable Disease Prevention Nuffield Department of Population Health, University of Oxford, United Kingdom to present a lecture titled “*Evaluation in context*” that covers west African examples of NCD prevention project evaluations, including some of the key evaluation challenges and recommendations for overcoming these challenges. 9<sup>th</sup> – 14<sup>th</sup> May, 2021
- g. Served on the following Committees:

1. Faculty of Public Health Postgraduate sub – Committee on Abstract 2012/2013 Academic Session – to date
2. Department of Health Promotion and Education Welfare/Social Committee 2012/2013 Session – to date
3. Department of Health Promotion and Education Finance Committee 2012/2013 Session
4. Member, Faculty of Public Health Sanitation Committee, 2017 to date
5. Member, Faculty of Public Newsletter Committee, 2017 to date
6. Treasurer, Ibadan Public Health Conference, 2022

*Community services*

- a) Reviewer, BMJ Global Health
- b) Reviewer, High Blood Pressure & Cardiovascular Prevention
- c) Reviewer, Malawi Medical Journal
- d) Reviewer, Health Education Journal
- e) Reviewer, International Quarterly of Community Health Education
- f) Reviewer, Nigerian Journal of Nutritional Sciences
- g) Reviewer, BMC Public Health-
- h) Reviewer, BMC Health Services Research
- i) Reviewer, Public Health Discoveries
- j) Abstract Reviewer, 1st National *Conference on Adolescent Health and Development in Nigeria*

**VII. Consultancy Experiences**

1. **Lead Consultant** – Project Effectiveness Review in Oyo, Ogun and Ekiti States for Oxfam Great Britain, UK (12<sup>th</sup> July -12<sup>th</sup> August, 2012)
2. **Consultant-** Strengthening capacity of CSOs and Doctoral students to conduct Operations Research in Adolescent Sexual And Reproductive Health, World Health Organisation and Association for Reproductive and Family Health funded project (2013)
3. **Co-Facilitator:** “Enhancing the Capacity of Civil Society Organizations working on HIV/AIDS in Ekiti State for Effective Community Health Care Service Delivery” Workshop organised by the Civil society for HIV/AIDS in Nigeria, Ekiti State (EKCiSHAN) and African Regional Health Education Centre and funded by the World Bank, February, 2015.
4. **Lead Consultant** - Post Abortion Family Planning (PAFP) Data processing, analysis and Reporting of Qualitative and Quantitative data in 8 states in Nigeria (Abia, Anambra, Benue, Delta, Edo, Enugu and Ondo States ) Marie Stopes International Organisation Nigeria (MSION) November to December, 2016
5. **State Consultant** – Quality of Tuberculosis Service Delivery and Treatment Outcomes in two Nigerian States, Association for Reproductive and Family Health, 31<sup>ST</sup> July to 31<sup>st</sup> October, 2017
6. **State Consultant** –Endline Evaluation of Radio Serial Dramas Jangala and A Dade Ana Yi (focused on RH/FP; Maternal and Child Health, Environmental Health and Gender issues) in Selected States (Ogun, Delta, Anambra, Abuja, Niger, Bauchi and Katsina) in Nigeria, Population Media Center, November to December, 2017

7. **Independent Consultant-** Evaluating Supplementing Immunization with Family Planning Counselling in Niger and Ogun States of Nigeria , Collaborating organisations -USAID, Dexis Consulting, Harvard University, Marie Stopes International and Marie Stopes International Organization Nigeria (MSION), 17<sup>th</sup> November to 15<sup>th</sup> December, 2017
8. **State Team Lead-** Evaluate the UNFPA supported pre-service training of nurses and midwives on the delivery of long acting and reversible contraception in Nigeria, Marie Stopes International and Marie Stopes International Organization Nigeria (MSION),17<sup>th</sup> of September 2018 to the 28<sup>th</sup> of September, 2018
9. **Consultant-** Promoting Female Empowerment and Preventing Intimate Partner Violence: A Mixed-Methods Approach to Assess the Effect of a Multi-Sectoral Intervention Targeting Couples in Ibadan, Nigeria study funded by World Bank Group, November, 2020 to January, 2021(PI: Dr. Ayodeji Adebayo)
10. **Invited Speaker** for the short course titled “*Prevention Strategies for Non-communicable Diseases (NCDs)*” organized by the [WHO Collaborating Centre on Population Approaches for Non Communicable Disease Prevention](#) Nuffield Department of Population Health, University of Oxford, United Kingdom to present a lecture titled “*Evaluation in context*” that covers west African examples of NCD prevention project evaluations, including some of the key evaluation challenges and recommendations for overcoming these challenges. 9<sup>th</sup> – 14<sup>th</sup> May, 2021
11. **Independent Consultant-** Attitudes about abortion through storytelling, Population Services International, Washington DC, USA, August 13, 2021 to October 31, 2021
12. **Independent Consultant-** Medical abortion knowledge and awareness through Digital Communications, Population Services International, Washington DC, USA, August 13, 2021 – October 31, 2021

## VIII. Research

### a. Completed

- i. 2005: Increasing access to quality RH/FP services at the grassroots in Five Nigerian States  
Funder: United Nations Population Fund, Nigeria  
(Role: Deputy Project Coordinator)
- ii. 2008: Capacity Building of 12 NGO/CSO/FBO Partners in three Nigerian states to enable them carry out advocacy and policy related activities in the area of Reproductive Health/Family Planning  
Funder: USAID, Nigeria  
(Role: Project Coordinator)
- iii. 2008: Expanding access to Emergency Contraceptive Services in Oyo and Ogun states of Nigeria  
Funder: Population Council, Kenya  
(Role: Deputy Project Coordinator)
- iv. 2017: Analysis of Non-communicable Diseases Prevention Policies in six African countries (Nigeria, Cameroon, Togo, South Africa, Kenya and Malawi)  
Funder: African Population and Health Research Centre, Kenya and International Development Research Centre, Canada  
(Role: Doctoral Student and Co-Researcher)
- v. 2018: Outcome of a Multi-Level Intervention on the physical activity behaviours of in-school adolescents in Oyo State, Nigeria.  
Funder: Re-entry award of the *Chicago-Ibadan International Partnership for Interdisciplinary Research Training in Chronic Non-Communicable Diseases (NCDs) and Disorders Across the Lifespan* of the National Institutes and the African Population Health Research Center, Kenya and International Development Research Center, Canada  
(Role: Principal investigator)
- vi. 2018: Assessment of Quality of Tuberculosis Service Delivery and Treatment Outcomes in Nigeria  
Funder: Association for Reproductive and Family Health (ARFH), Abuja  
(Role: Co-Investigator)
- vii. 2018: End line evaluation of serial radio dramas Jangala and A Dade Anayi in selected states in Nigeria  
Funder: Population Media Concern  
(Role: Co-investigator)
- viii. 2019: Assessment of the processes and mechanisms of influence of proprietary patent medicine vendors' training on access to and utilization of injectable contraceptive services in Nigeria  
Funder: Alliance for Health Policy and Systems Research, World Health Organization, Geneva.  
(Role: Co-investigator)

### b. In progress

- i. 2019: Implementation research to leverage HIV community-level intervention for breast cancer prevention and control among females in Nigeria's informal work sector  
Funder: Kiphart Global Scholar In Medicine award of the University of Chicago  
(Role: Principal investigator)

The first phase of this study is a baseline assessment which aims to investigate the knowledge of breast health and breast cancer screening practices and preventive behaviors among female artisans in Ibadan. In addition, the baseline study will assess the feasibility of implementing integrated HIV and breast cancer prevention and screening programs among female artisans in Ibadan.

- ii. 2019: Temporal Trends in Obesity and Chronic disease risks among Young Adults: a 10-year Review at a Tertiary institution, Nigeria Funder: University of Ibadan, Nigeria  
(Role: Co- investigator)  
The aim of this study is to describe the trend and burden of overweight/obesity and emerging associated chronic disease risks among adolescents and young adults at the University of Ibadan, Nigeria.
- iii. 2020: Addressing the Hidden Burden: Development and Implementation of a Pragmatic University Mental Health Services Model in selected universities in South-West Nigeria  
Funder: Tertiary Education Trust Fund (TETFUND) National Research Fund, Nigeria  
(Role: Co-investigator)  
This project aims to determine the burden of mental health challenges in selected universities in south-west Nigeria and evolve a pragmatic and holistic university mental health service that covers the spectrum of mental health promotion, prevention, early identification and treatment as well as supportive rehabilitation.
- iv. 2022: Landscape analysis of regulatory interventions to reduce the consumption of sugars sweetened beverages in Nigeria  
(Role: Principal Investigator)  
This study aims to analyse the policy landscape, assess public acceptability, and identify potential impediments and facilitators for implementing population-wide SSBs regulatory measures (taxation, mass media campaign on harms associated with high sugar intake, product reformulation, limiting portion size) in Nigeria. Understanding these pre-conditions is critical for successfully designing and implementing a national SBBs reduction programme.

**c. Project, Dissertation and Thesis**

- i. Toba MM (2000). Assessment of the nutritional status of the Under-five years old in Ibadan South West Local Government Area, Oyo State. B.Sc Human Nutrition Project, University of Ibadan, Ibadan, Nigeria
- ii. Toba MM (2008). Opinion survey of Secondary School Students on Sexual Abstinence as an HIV/AIDS Prevention Strategy in Ibadan South West Local Government Area, Oyo State. MPH Health Promotion and Education Dissertation, University of Ibadan, Ibadan, Nigeria
- iii. Oluwasanu MM (2014). A systematic review of the correlates and determinants of Active Commuting. M.Sc. Global Health and Non-communicable Diseases project, University of Edinburgh, Scotland, United Kingdom.
- iv. Oluwasanu MM (2018). A multi-level intervention on the physical activity behaviours of in-school adolescents in Oyo state, Nigeria. Ph.D. thesis of University of Ibadan Ibadan, Nigeria
